Dear Dr. László Kőrösi

On the occasion of the 50<sup>th</sup> anniversary of the establishment of Hungarian Veterinary Poultry Society, which since 1986 is a branch of the World Veterinary Poultry Association, I wish to extend, on behalf of the officers of the WVPA, my sincere congratulations to your Branch.

For the past 50 years, your branch has fostered much in the fields of research and training with dedicative service to its members. In addition, the Hungarian branch has made remarkable achievements in WVPA activities, for example by organization of the unforgettable and successful XIth International Congress of the World Veterinary Poultry Association which was held in Budapest between 18<sup>th</sup> to 22<sup>nd</sup> August, 1997 and was attended by more than 1000 participants.

I would like to express my sincere thanks to the pioneers of your branch, especially to Prof. Mészáros as representative of the Hungarian Branch, who is an Honorary Life President of the WVPA since 2004, as well as to Prof Dr Stipkovits, Dr. Cs. Drén, Prof. Dr. B. Nagy and many others.

I am pleased and satisfied that cooperation between your branch and our Association has taken a steady and stable development in all fields, while the mutual understanding and friendship has also constantly deepened.

We cherish the relationship that has been built with WVPA and look forward to many more years of cooperation and collaboration between your Branch and the WVPA association.

Again on the behalf of the officers of the WVPA please accept our best wishes for your enjoyable anniversary celebration, as well as for many more successes in the decades to come.

Sincerely yours

Prof. Dr. H. M. Hafez  
President of WVPA
